

Application for Determination of Sole Source Procurement

This form, with one or more categories completed, must accompany a purchase requisition for equipment, supplies or services exceeding \$20,000. Select the category or categories appropriate for this procurement. Attach all documentation necessary to support the application. Procurements of \$60,000 and greater shall be posted to the NM Tech Purchasing website for the mandatory thirty (30) day period per NMSA 13-1-128.

Requesting Department:	ITC	End User's Name:	Linda Gonzales
Proposed Contractor:	Evisions	Estimated Cost:	\$46,084.00
Product Description:	Argos, FormFusion, IntelleCheck AP/Payroll	Date:	06/09/2025

I am requesting a sole source procurement based on the following reasons:

- Compatibility of existing equipment or supplies; provide details in *Explanation*. Include manufacturer, model number and NMT PCN of existing equipment.
- Item specifically required for use in conjunction with grant or contract. Attach applicable grant or contract page and provide justification of why it is required for grant / contract and why other substitutes are not acceptable.
- Requirement is of a proprietary / copyright / licensing nature which is explained below.
- The requested product has unique design / performance specifications or quality requirements which are essential to my work, research protocol or teaching needs, and are not available in comparable products. Please discuss this uniqueness / performance below.
- NMT Staff has specialized training and / or extensive experience. Retraining would incur substantial cost in money / time as explained below.
- I have contacted other suppliers or service providers identified below and have considered their product, however, their products / services are not acceptable because they are lacking one or more technical capabilities as discussed below.
- The requested product is essential in maintaining / continuing experiments. Other investigators have used this product in similar research and for comparability of results, I require it.
- Contractor is the sole manufacturer and sole distributor and has unique features / characteristics not available from other sources (provide explanation and attach applicable documents).
- Product is a prototype; contractor offers a trade-in allowance; availability of service, parts or maintenance as discussed below.

Explanation:

Software we require that is compatible with Banner. Please see attached.

Evisions is the only known source compatible with Ellucian Banner, the enterprise resource planning system currently in use at New Mexico Tech. Evisions' suite of products—specifically Argos, FormFusion, and IntelleCheck—are uniquely designed to integrate directly and securely with Banner without the need for third-party middleware or custom interfaces. Due to this exclusive compatibility and the technical requirements of maintaining data integrity and system performance within our existing infrastructure, no other vendor can provide the same level of seamless integration and support.
