Student Concerns/Announcements

- Student claims: Auxiliary services are not letting clubs who have not met certain criteria meet outside of public space. The student feels that this is discriminatory because members of the club in question feel that these are not safe spaces so they may not be able to engage in club activities.
 - SGA response: If you feel that this is a genuine concern please reach out to us so we can help you find a place you can meet until you can get a room reservation. When students feel this way the safety of campus as a whole needs to be considered and we are willing to help work on that.
- Student claims: SGA website is hard to find when navigating from the main NMT web page.
 - SGA response: The Webmaster is working on that currently and we will hopefully have a solution soon.

Business

Senator Removal

- Vote: Remove senator for absences.
 - Yes: 4
 - No: 5
 - Abstain: 5
- 2nd Vote
