MATCH Support

MATCH, an after school mentoring program, began in the fall of 2016. The program takes place between college students at New Mexico Tech and 3rd grades at Parkview Elementary. MATCH has grown over the last 7 years and is made possible by the continued collaboration between Socorro Consolidated Schools and New Mexico Tech. Through the efforts of both entities we are able to keep this program up and running smoothly. The program runs 4 days a week with each student attending two 3 hours session mentoring/tutoring students one-on-one for the entire academic year. As the students begin to meet, they form long term relationships working so closely with their mentor. They mentor helps with academic support as well as mentoring the student and teaching them about STEAM. Throughout the semester, mentors will put on demonstrations to explain a science topic, typically from their field of study. The program also organizes two field trips per year, one to New Mexico Tech to visit and see demonstration and a trip to Albuquerque for a fun day with their mentors. We are requesting funds for three main categories: (1) field trip to ABQ, (2) supplies, books, and snacks, and (3) end of year celebration.

This year we have planned to take the students to The Electric Playhouse. We are requesting funds to help pay for this experience. For the field trip, Socorro Consolidated Schools has agreed to support the bus and bus driver for the day. New Mexico Tech is responsible for providing food and tickets for the mentees, mentors, and the after school teachers. We are requesting \$850 for the field trip.

Additionally, we frequently purchase supplies and books for the program, as well as providing snacks for the mentees. We are requesting \$500 to cover for supplies and books for the spring semesters and \$75 bi-weekly for the remainder of the semester, total of \$300 for eight weeks. The grand total for supplies, books, and snacks is \$800.

Lastly, every year we end the program with a “graduation” ceremony for the mentees. We invite parents and families for dinner and have a slide show and program completion certificates. The main component to fund for this event is dinner for parents and families. We estimate spending ~\$500 on food for this event.

Grand Total: \$2150
