Constitutional Changes

- Changing how we may access the carry forward
 - Vote to approve
 - Yes: 15
 - No: 0
 - Abstain: 0
- Changing the requirements to run for SGA president and vice president to include more people.
The senators are concerned these changes may lead to ill-experienced leadership.
This is being tabled for now.

- More verbiage is being changed to reflect new committee names and associate justice status.
 - Approval passes unanimously for both changes
- Page numbers are all over the place and they propose to move them to the corners only for clarity.
 - Motion passes
 - 12 yea
 - 2 nay
 - 1 abstain

Reports:

Dean Chapman

- Food pantry moving to SAC
- Big event April 1st
- Student engagement platform is coming up (NMT360 for a name?)

President

- Over the last 2 weeks we have found many issues with how tech runs.
- Please let us know if you find issues, we want to change the public opinion of the SGA.
- We want to be able to solve real issues and face them head-on.
- Thank you for sending in “what it means to be a techie”
- Looking to buy a “Sr. Project” for tech

Vice President

- Being VP is very hard.
- Taking issues to the appropriate people is the best way to help. If you don't know who that is we can help.
- Please be respectful when asking for change.
- We know it will be hard with Michael Voegerl being gone, but we can handle this even though it may become difficult.
