President (Dylan Schroder)

- “President's log: Day 207 Board of regents meeting went well. Not too much that applies directly to students other than some potential small changes to how the opportunity scholarship can be used for summer classes. I've been hounding paydirt and the SAB nearly everyday to do their best. They're certainly doing it. Looking forward we will be discussing a potential scholarship that the SGA would spearhead so if you want a preview ask Zaid or come see me in my office. I have had 0 lava cakes at this regent meeting at the Capitol. Ok bye”
